May 2015 & Beyond

The April meeting was a success, and many thanks to those who were able to attend. Photos of the meeting are available on both our website www.newenglandafs.com and our facebook page.

We have scheduled the May meeting listed below and we are looking forward to a well attended meeting.

May 13, 2015 Wednesday 5:00 P.M.

Iron Works Tavern

697 Jefferson Boulevard (2 blocks from the airport)

Warwick, Rhode Island 02886

Our speaker is:

Stephanie Salmon | Vice President Government Affairs | American Foundry Society – Washington Office

Topic: Critical Issues Impacting the Metalcasting Industry.

She will be presenting on events taking place in Washington that will affect our industry. This is a great opportunity to hear the voice of our society and learn what to expect in future governmental legislation and how it can impact our businesses.

I RHODE ISLAND

Once again, I am challenging the Ocean Staters to show up and support their chapter as they have in the past. This is a **don't miss** meeting. The national organization is picking up the costs of having Stephanie present at our meeting so please put this on your calendars as a “**must do**” meeting.

The meeting is being held appropriately at a historic former Iron Foundry and includes dinner and the cost is \$35.00 per person with a cash bar.

Also, the long awaited event is near, dust off your clubs and skills and get ready to play in the New England AFS OPEN or (wide open).

Mark Johnson and Brian White have once again teamed up to put together another great golf event. We will be sending out the registration forms shortly and also putting them on our website so they can be downloaded. Call your friends, wake the neighbors, alert the authorities and start practicing. It will be here before you know it. Details below:

We are looking to add payment capabilities onto our website so that members can pay in advance with their credit card via Paypal.

If you have any ideas for future chapter meetings or events then please let me or anyone of our officers or Boards members know and we will try and schedule them.

I can be contacted at emarczyszak@burndy.com

As a reminder, we have a New England Chapter page on LinkedIn and a Facebook page, both of which are being used to announce upcoming events. If you aren't able to connect on either, please let me know and we'll get you set up.

As always, we encourage your suggestions for meeting topics. The chapter remains strong only through the efforts of our members. Anyone interested in joining the Board, please e-mail me at emarczyszak@burndy.com. We welcome your interest and participation.

Hope to see you all at a future chapter event.

Thanks for your continued support,
Ed Marczyszak
Chairman
