

**Don't forget to visit our website, [www.newenglandafs.com](http://www.newenglandafs.com)**

**October 2016,**

**It's hard to believe it but we are already feeling the cold crisp New England Autumn weather, the days are getting shorter and the evenings longer and colder. The perfect venue for a Chapter meeting, come experience the warmth and camaraderie of an AFS Chapter Meeting, it's as much fun and more educational than a trip to the Big E. Hope to see you soon.**

**October 5, 2016**

**I'm excited to announce that our speaker will be Leo Baran, Director of Membership Services for the AFS. Leo will be presenting on, "How to be an ambassador for the metal casting industry."**

**Leo is very passionate about involving the young people and getting them interested in the process of metal casting and it shows up during his presentations, he is an excellent presenter and brings his energy and humor to the presentation. Let's show Leo that New England is just as fired up as he is about getting young people involved in the metal casting industry. Bring your sons, daughters, young engineers, or even the newspaper boy or girl with you to what will be an entertaining and motivating meeting.**

**The cost of the meeting is \$35.00 and includes dinner. The meeting will start promptly at 5:00 P.M.**

**I can be contacted at [emarczyszak@burndy.com](mailto:emarczyszak@burndy.com)**

**As a reminder, we have a New England Chapter page on LinkedIn and a Facebook page, both of which are being used to announce upcoming events. If you aren't able to connect on either, please let me know and we'll get you set up.**

**Thanks for your continued support,**

**Ed Marczyzak**  
**Chairman**
