The Chapter will be hosting its first Table Top and Toolbox Presentation Meeting, at the Boxboro Regency Hotel at 242 Adams Place, Boxboro, MA from 3 PM to 8 PM vendors will be presenting and displaying a variety of tools, products and services that can be used to improve your output, pump up your margin, reduce your costs, lower your scrap rates, and whiten your teeth. (Just kidding about the last one.) No charge to the attendees but this will be a great chance to speak directly with the vendors, see their products on hand or discuss the benefits of their services directly. **Let's make this a well-attended event and take advantage of this opportunity to learn about their products and perhaps catch a few bargains.**

The list of exhibitors continues to grow, below are some of the vendors that will be exhibiting:

Humtown	N.E. Foundry Technical Services
Turbo Finish	Force Automation
Palmer Mfg.	SciApps
Inductotherm	Schaefer Furnaces
Markforged	Zeiss

AC Enviro	Kanthal

The list of exhibitors continues to grow, and it will be a great chance to discuss on a 1 to 1 level with them about their offerings.

Tell your friends, neighbors, co-workers about this event, bring them along if possible, it is a free event and light refreshments will be provided. In addition, a cash bar will be available for anyone wishing to relax with an adult beverage as they walk around and meet the exhibitors.

Let's make this a worthwhile event for the exhibitors and maximize our attendance, proceeds of the event will be used to help fund future scholarships so it is a win/win event for all parties.
