Dear Vendors and Sponsors,

The New England Chapter of the AFS cordially invites you to participate in our first ever “Tools and Tech Night”. This table top expo is a great chance for face time with the local foundry owners, managers, engineers, and shop workers. Most of our attendees are the owners or GM’s of their respective foundry. We will also be extending the invitation to other local manufacturing and materials related professional associations to increase the networking value of the event.

Vendors are invited to bring small pop-up displays, literature, table banners, hands on equipment to demo, or flat screen monitors to present products new and old. A participation fee of \$125 is requested from all vendors to help cover the cost of the reception hall and refreshments. We have booked the spacious courtyard of the Boxboro Regency to provide a relaxed and spacious atmosphere. Hot and cold hors d’oeuvres, sodas, water, and a cash bar will be available. Any surplus funds raised by the event will be applied to the NE Chapter Scholarship Fund. Website banners may also be purchased on the Chapter Website.

Space is limited, and bookings are first come, first serve – so please RSVP as soon as possible. Deposits for table space must be paid on the chapter website <http://newenglandafs.com/> in full at the time of booking a table is appreciated. Setup will be open from 12-2.

Please feel free to contact one of us if you have any questions about the event.
